SHEVLIN STABLES /ELEVATE SPORT HORSES 18720 Bull Springs Road, Bend

A Experience where luxury, community and performance come together at Elevate Sport Horses' new home, Shevlin Stables—the premier training facility in Central Oregon for riders in the disciplines of hunters, jumpers, equitation and dressage. Elevate Sport Horses welcomes new boarding and training clients, and invites students of all levels to enroll in our curriculum-based, school-horse lesson academy.

BARR ROAD RANCH - FOR SALE

66215 Barr Road, Bend

B Come see this stunning Tumalo horse property and check out the 7 stall barn with large tack room, round pen, beautiful chicken coop, pond, greenhouse and garden area. This 5.7 acre property (4.16 irrigated acres) is fenced and cross-fenced and ready for all your animals. There is even nearby access to fantastic trails.

KIMRY JELEN (STUDIO TOUR)

68810 Holmes Road, Sisters

C Kimry has been painting horses for nearly two decades now, her love of horses is apparent in her work. Come visit her studio in the old farm house at Emboldened Equine. You will see paintings in progress and there will be some artwork for sale.

HEARTSPACE HORSE SANCTUARY

3867 Northwest Way, Redmond

D We are a 501(c)3 nonprofit horse sanctuary. All of our equines will live out their lives here. Most of them are elderly and need individualized care. Many are rescues and some arrived here after their previous owner passed away or life situations changed. We offer some events here with the hopes of hosting more. Supporting the horses here is accomplished through volunteers and donations. Our goal is to inspire mindfulness and good horse/human relationships. Living from the space of the heart brings one out of thinking and into feeling which helps to build strong connections with equines, self and other humans.

WINDFLOWER FARM

26285 Walker Road, Bend

E Owner/Trainer Gigi Meyer has been a professional trainer for over 30 years, spanning diverse equestrian disciplines - thoroughbred racehorses, polo ponies, reining horses, hunter/jumpers, gaited horses as well as remedial training and starting young horses. Located just 15 miles East of Bend, our stable has a quiet, peaceful setting and a horse-friendly, open design. Grounds include a 130' x 130' arena, irrigated pastures with loafing sheds. Stable amenities include heated tack-room with warm water, toilet, and lounge area. Our North Farm, only a few steps away, hosts a goat barn, a chicken coop, and pig facilities, all of which adhere to Certified Animal Welfare Approved standards for livestock.

LOWELL RANCH - FOR SALE

61785 Ten Barr Ranch Road, Bend

F Come see this 17.91 acre horse property with fantastic efficient barn, outdoor arena, round pen, pond and more. This property is on the market and ready for the next owner. This is a horse lover's paradise that would be suitable for a small lesson program or it could be a wonderful private horse property.

MUSTANGS TO THE RESCUE

21670 McGilvray Road, Bend

G The mission of Mustangs To The Rescue, an all-breed, all-volunteer, 501(c)(3) non-profit equine rescue, is to positively impact the community we serve by supporting horses, their owners and potential owners, with assistance, resources and educational opportunities, thus improving the lives of horses and humans in our community.

TK BARREL HORSES & DOUBLE HELIX HORSEMANSHIP

22605 Rickard Road, Bend

H We at TK Barrel horses and Double Helix Horsemanship believe that training horses for proper biomechanics is essential for their health, performance, and longevity. Biomechanics refers to the study of the mechanical aspects of living organisms, including how their bodies move and function. When it comes to horses, proper biomechanics involve training them to move in a way that maximizes their physical well-being and performance potential. Being a professional full care and training facility, we provide our athletes with a comprehensive program that includes a nutritional feeding program, training, and therapeutic services enhancing the well-being of the horses under our care and offer valuable support to their owners.
